CHAMPION BOARDS™

Innovative Timber Ideas

www.championboards.com.au

Quality New Zealand Radiata Pine from a renewable resource is the starting point for every board used in Champion Boards.

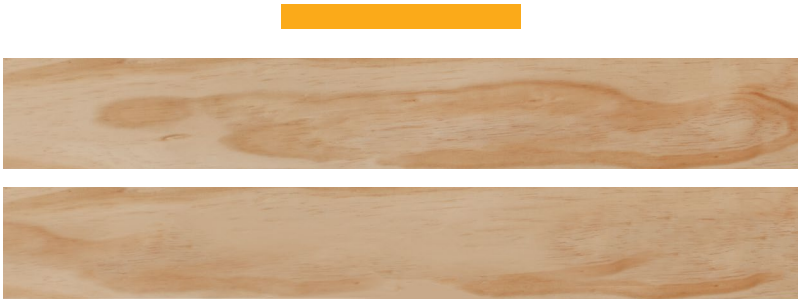
- ✓ **Each piece end stamped with length to save time.**
- ✓ **Grading using a higher standard than the industry benchmark.**
- ✓ **Plantation grown Radiata Pine.**
- ✓ **Readily Available.**

CHAMPION BOARDS begins with quality. Each and every board is graded using a higher standard than the industry benchmark which results in a better quality board across the range. Available in Standard and Better, Select and Mixed Clear grades, Champion Boards give you both options and quality.

championboards.com.au

CLEAR GRADE

A mix of the highest grades (clear #1 & #2), generally used for high quality furniture, mouldings and where the best finish is required. No visible knots on the graded face.



SELECT GRADE

A high quality appearance grade for use in furniture, mouldings etc. All knots maximum one third the width, 10% of the total board length.

STANDARD & BETTER GRADE

A standard grade that is best used for applications where the natural look of radiata pine is required. Defects & knots less than half of board width or up to a maximum of 75mm.

*All boards are graded on the best face available.

Why Champion Boards are the clear choice for any project

Straight and stable long lengths that are easy to work with

Lengths stamped on each individual piece

Quality New Zealand Radiata Pine
